ASHMOLEAN A-LIST

TRUSTED PARTNERS

Over the years we have developed relationships with trusted partners who support our events at the Museum. This means we can offer our clients a list of hand-picked suppliers and creatives who share our values and meet our high standards.

Familiar with our event spaces, they will work with your ideas and bring them to life in the Museum.

Before considering a partnership, we ask about sustainable policies; what they are doing to reduce their own carbon footprint and how we can work together towards more environmentally sustainable events.
