

Maths through Art

at the Ashmolean Museum

Gallery Activity for Key Stages 1 and 2

Hands-On Gallery activity

Cost FREE
Max group size 36 (divided in to three groups)
Length of session 1 hour and 30 minutes

Availability of sessions 2007

This session will be re-launched in the Autumn term 2007.

Discover the mathematics in Paintings, sculpture and Ancient Egyptian objects at the Ashmolean Museum.

This session encourages children to develop their mathematical skills through the study of paintings and sculpture.

Children will...

- See and talk about an amazing selection of art work
- Investigate shape, space and number
- Develop their mathematical vocabulary
- Enjoy practical maths activities

All sessions are led by experienced Ashmolean Education guides.
