

## 6 Olya's Riddle

I live in a gallery  
That is cold and small  
With birds, fruit and flowers  
On a dark green wall  
With worms, bugs and flies  
I would like to eat

I have three large eggs  
And a chest at my feet  
And if my riddle was not in vain  
Why don't you try  
To say my name!

What animal am I ??

Bushy moustache on my face  
My mouth open wide  
So opponents run and hide

Fancy helmet for my head  
Covered leg to arm  
I'll protect you all from harm

What am I ??
