LET US HELP YOU TELL YOURS

WELCOME

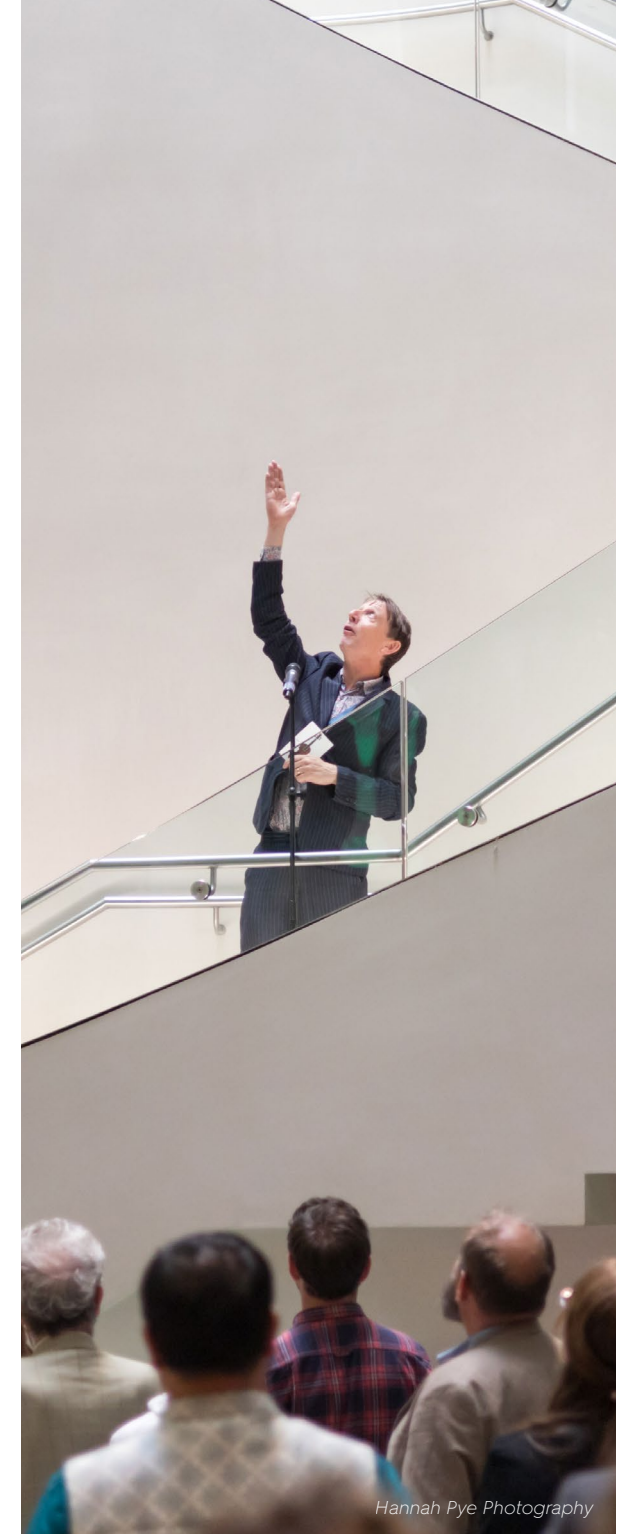

Located in the heart of Oxford, the Ashmolean is Britain's first public museum, and our world-class galleries offer a range of classical and contemporary spaces for hire. Whether you're designing an event for maximum impact or arranging a more intimate affair, our expert team can work with you to choose the ideal space, and help you weave stories from the collection into your occasion.

By hosting your event at the Ashmolean, you are not only opening the doors for your guests to a world of intriguing stories and unrivalled knowledge, you are also helping to keep the Museum free to the public, and funding our mission to promote research, learning and enjoyment, to enrich lives and expand our understanding of the world and our shared humanity.

We look forward to welcoming you and your guests into the Museum.

THE GREEK & ROMAN SCULPTURE GALLERY

Dine shoulder to the shoulder with the Arundel marbles, an impressive collection of classical sculptures housed in our Greek and Roman Sculpture Gallery. Flagged by striking columns, this magnificent space is an impactful backdrop for entertaining clients, celebrating achievements and toasting company wins.

For pre-dinner or awards drinks, this gallery is perfectly paired with either the contemporary Atrium or the Italian palazzo atmosphere of the European Art Gallery.

A light and airy space at the top of the Museum, the Rooftop Restaurant is a calm oasis above the bustling Oxford city centre. Perfectly suited to dinners and receptions all year round, its showstopping feature is the view over the iconic Oxford skyline, which truly comes into its own on a balmy summers evening.

Sip cocktails with clients on the terrace, celebrate the festive season with a sumptuous Christmas party, or use the Rooftop Restaurant as a base whilst guests partake in tours and exclusive behind-the-scenes activities around the museum after closing.

THE VAULTS

By day a café, by night a bar and dancing space that has played host to numerous post-dinner, or awards ceremony parties. With its original flagstone flooring, domed ceiling and seating alcoves for those guests who need to rest their feet, the Vaults has seen many a guest let their hair down to live jazz collectives, funks bands and DJs.

Enjoy your celebration for longer by requesting a late licence.

The Headley Lecture theatre is wonderfully suited to daytime meetings, training sessions and evening seminars, and can be easily combined with a guided tour to bring the museum alive for your guests. For smaller gatherings with views over Oxford, The Director's Boardroom is a quiet spot on the rooftop ideal for C-suite company strategy days and client meetings, particularly when combined with a table in the neighbouring Rooftop Restaurant for lunch.

Both spaces are available for daytime and evening events.

TRUSTED PARTNERS

Over the years we have developed relationships with trusted partners who support events at the museum. This means we can offer our clients a list of hand-picked suppliers and creatives who share our values and meet our high standards. Familiar with our event spaces, they will work with your ideas and bring them to life in the museum. Before considering a partnership, we ask about sustainable policies; what they are doing to reduce their own carbon footprint and how we can work together towards more environmentally sustainable events.
